

OTB Patrons:

Re: Northlands Tickets and HPI Cards

Please note that as of December 31st, 2018, we are switching tote providers from AmTote to United Tote. Tickets purchased up to the end of the year will not be cashable from one company to the next. Please cash all tickets prior to January 1st, 2019.

If you do have tickets to cash after January 1st, you have two options:

- a- Cash your tickets at the Northlands Park Casino slot cage until January 31st.
- b- Mail your tickets to Northlands Park:
2693 Broadmoor Blvd, Suite 132
Sherwood Park AB, T8H 0G1
- We recommend keeping a copy of all tickets submitted through mail.

Additionally, with the forthcoming machines, HPI cards will not be usable in the machines until the development is complete. Anticipated date is January 28th, 2019. Please ensure you have updated your balance prior to January 1st, or use the online funding methods at www.hpibet.com

We apologize for the inconvenience during this transition.

Thank you,

Century Bets! Management
